

# INTERNAX

**INTERNAX THE INTERNAL HIGH POWER PNEUMATIC WELDING CLAMP WITH PIPE REROUNDER CAPABILITIES SUPPORTING ONSHORE PROJECTS**

## **SUPPORTING ONSHORE PROJECTS OUR INTERNAL WELDING MACHINE:**

- Improves weld productivity for cross-country landlines
- Enhances productivity thanks to 8 fully automatic welding heads
- Pipe rerounding capability reduces fit-up time to avoid hi-lo and welding issues
- Wireless remote control ensures operator safety

## TECHNICAL DESCRIPTION

### EQUIPMENT MAIN DESCRIPTION

- Pneumatic ILUCs with welding capabilities
- Available configurations: Onshore
- Supported pipe diameters: 48"
- Supported pipe lengths:  
Up to 24 m (79 ft)

- Climbing capability
- Operational temperature range:  
-40°C (-40°F) to 50°C (120°F)
- Minimize pipe-end out of roundness
- Adjustable automatic overlap of welding heads
